Antioch Beats Warren In Final Game 3 to 2, Ties For Second Place

Curtain Falls on Successful Diamond Season For Antioch High

Antioch High may not have the champion baseball team in the North Suburban Conference this year but it knows it can beat the champion—Warren High.

The Sequoits did it twice this season, ending its campaign with a 6 to 3 victory over the champs here Friday.

As the result of the victory, Antioch finished in a tie for second place with Grayslake with seven victories and five defeats. Warren, the champion, had 9 victories and 3 defeats.

The one-run losses to Grant and Wauconda were all that kept Antioch from the conference championship.

Although Warren outhit Antioch in this closing game of the season, LaBrose kept his eight hits scattered, and Antioch was able to bunch the five hits off Warren's ace, Gove.

The Sequoits after trailing 3 to 2, exploded in the fifth for four runs. An error, a walk, and an infield hit loaded the bases. Bill Jarvis singled home two; Schutte squeezed in another and Chip Eberman followed with an infield out that permitted a fourth to score.

The other two runs were made

Open House at Aqua Center Memorial Day, No Charge for Swim

Antioch Aqua Center sponsored by the Lions Club will start its third year of operation with open House at 1:30 p. m. Memorial Day, Friday, May 30.

Dr. G. W. Jensen, president of the Lion Club Community Service corporation, reports the Lions club members have now completed the spring clean up and painting and the pool has been filled ready for operation.

The public is invited to visit the Aqua Center during this open house and swim without charge. Good weather is assured as Irving Carey, chairman of the operating committee had a talk with the weatherman and has been promised a warm sunny day.

The program of Water Safety Instruction so important to this lakes region has grown by leaps and bounds each year, as the community realizes the benefits to children as well as grownups in participating in supervised swimming classes. During the first year of operation about 130 attended swimming classes and last year this number swelled to 526. This year indications are that 800 or more will register for classes so two full five week sessions are planned. The first session will run from June 9 through July 11, and the second from July 21 through August 22.

Following is the schedule of registration dates:

Registration for first session—June 3, 4, 5, and 6 from 10 a. m. to 12 noon each day.

Red Cross Classes 1 through 5—Two lessons each week for 5 weeks, Monday and Wednesday, Tuesday and Friday, with classes each day at 10 to 11, 11 to 12, and 12 to 1.

Wilmot 11th In State

Wilmot High finished 11th in the Wisconsin State Class C. high school track and field meet at Hartford, Wis., Saturday. Kohler won the meet.

Wilmot scored eight points through Bob Horton's third in the 880; Wally Partenheimer's fourth in the 440; and Jim Bauman's fourth in the high hurdles and fifth in the low hurdles.

Tigers and Yanks, Last Year's Champions Will Open Little League Season on Monday

The Antioch Little League will open its season at 6:30 p. m. Monday with the Tigers' last year's champions again playing the Yankees, the runners-up.

The two teams were winners of the first and second rounds of play.

Six teams make up the league this year and are as follows:

Tigers—Sponsored by the Antioch State Bank.

Yanks—First National Bank of Antioch.

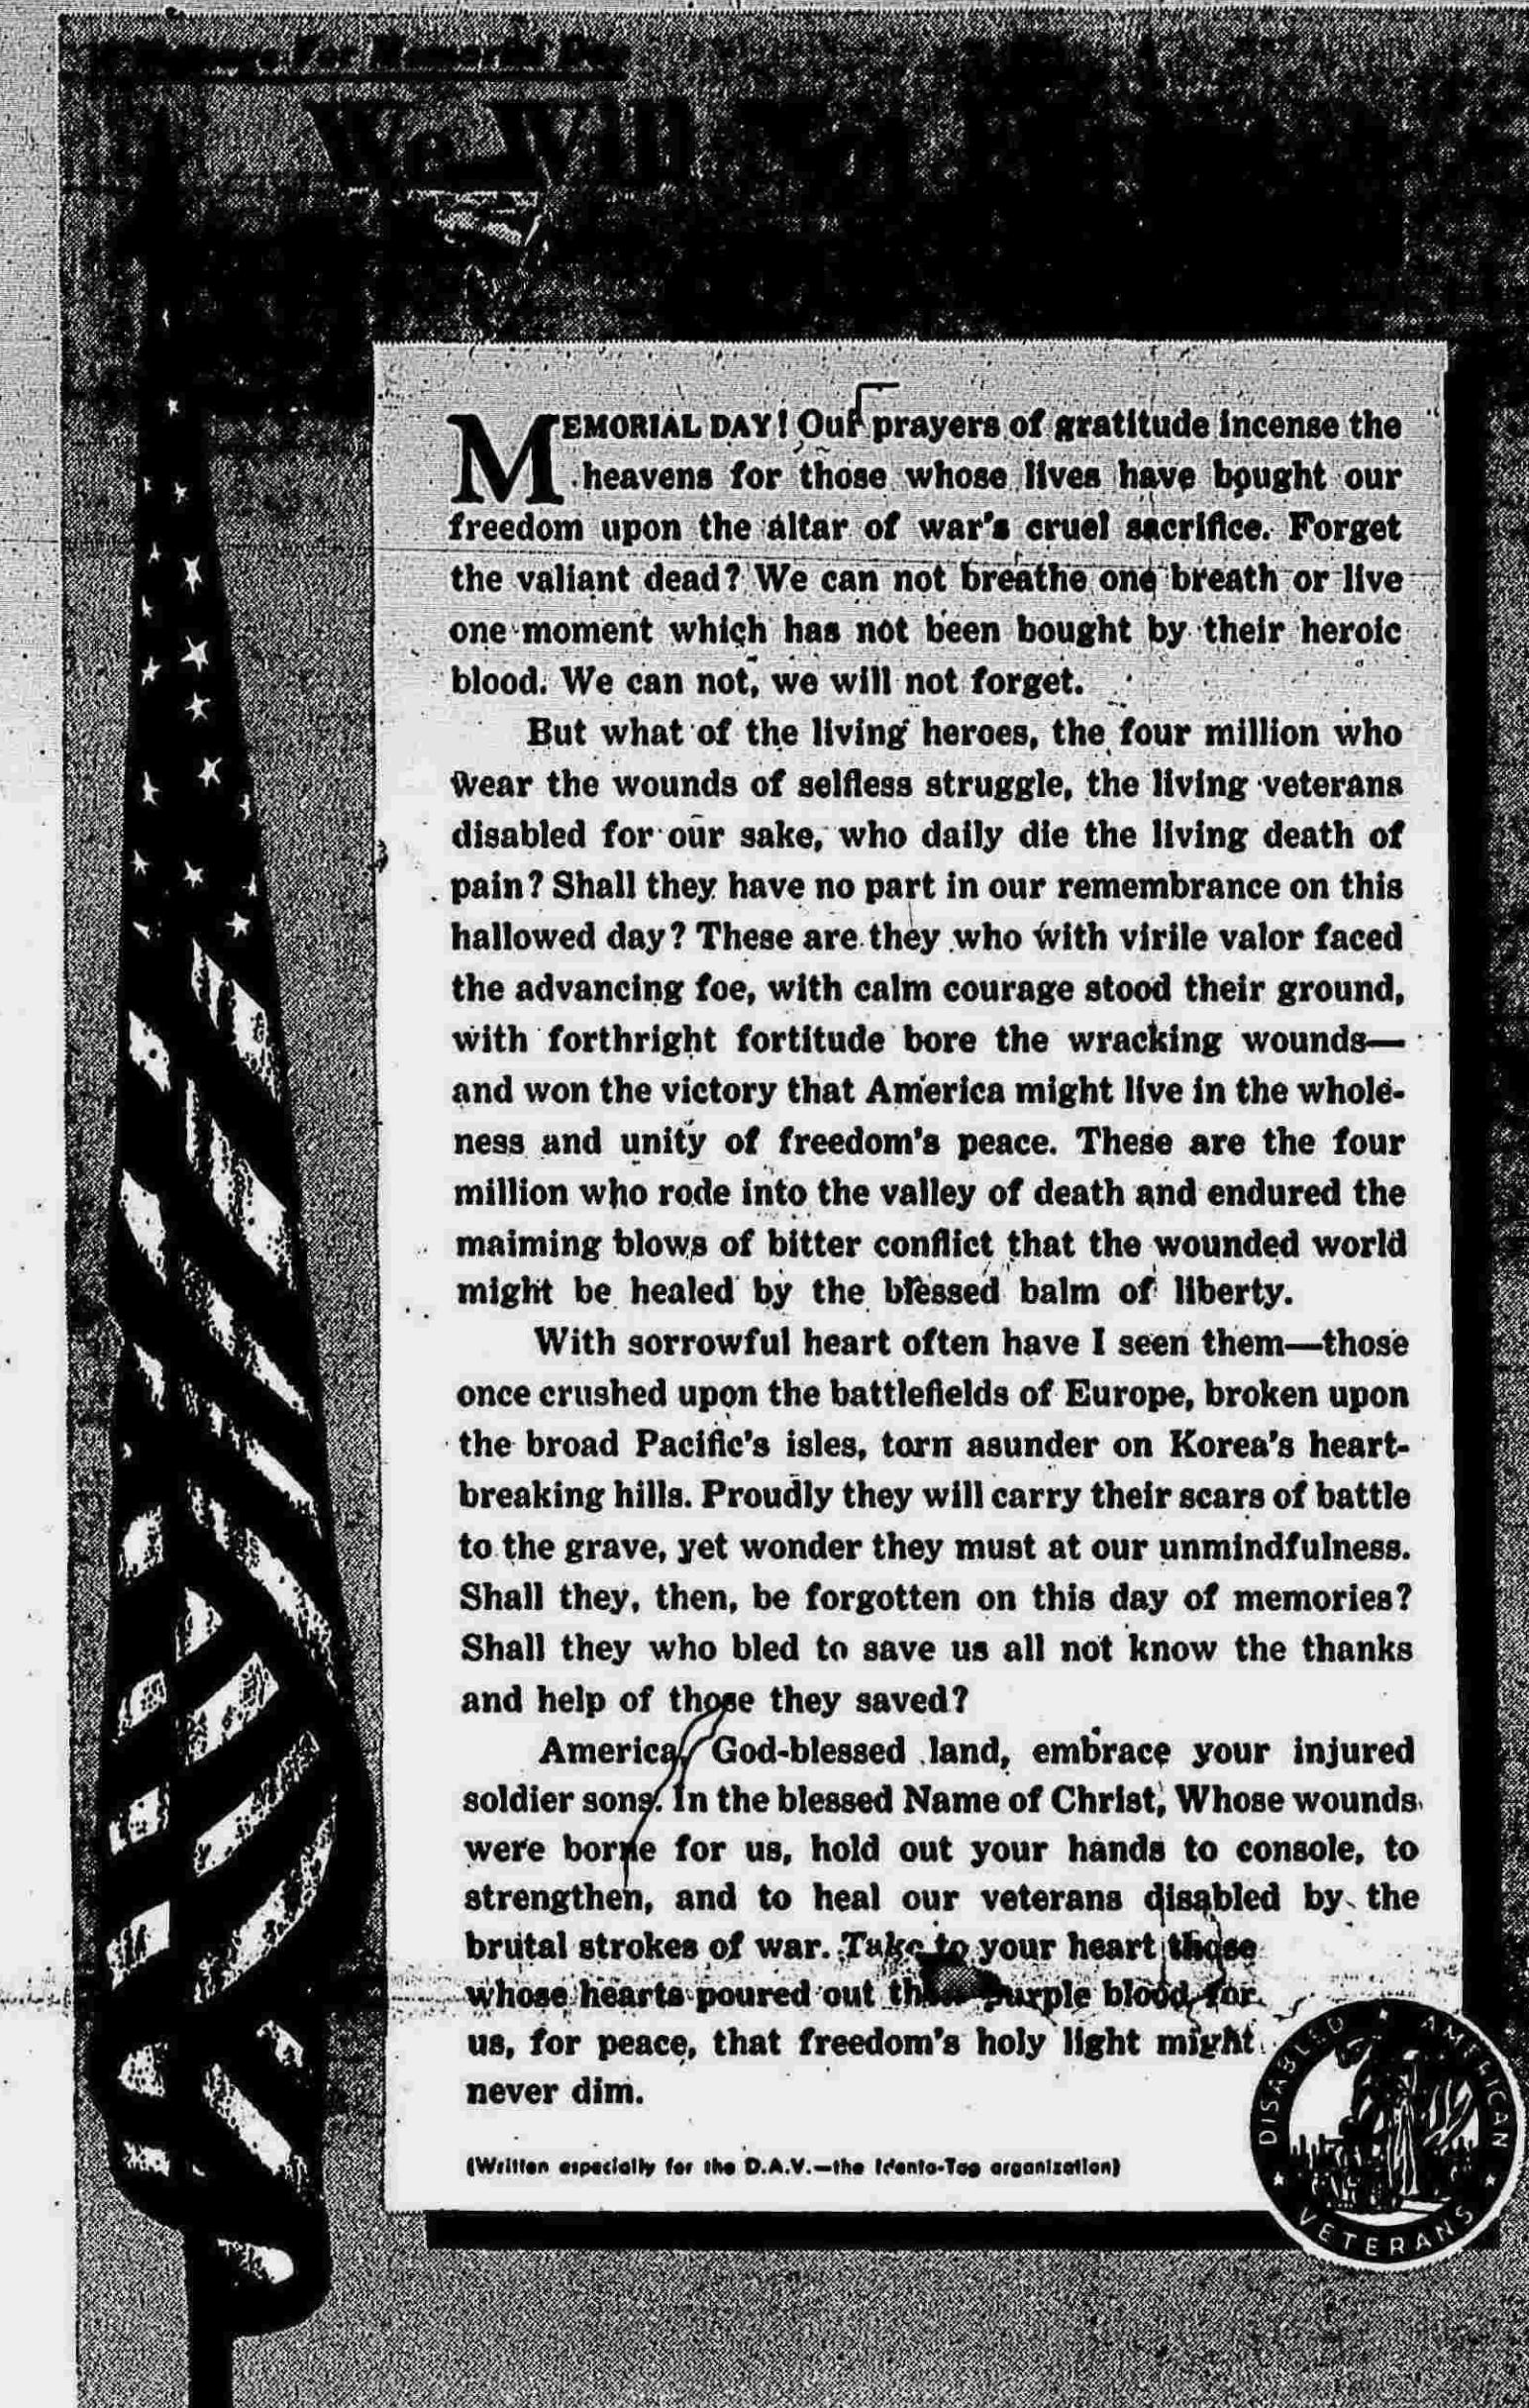

Dodgers—Laursen & Blackman, building contractors.

Cubs—Antioch Service Center.

Sox—Antioch Heating Contractors.

Giants—Antioch Lumber Co.

The schedule for the opening

MEMORIAL DAY! Our prayers of gratitude incense the heavens for those whose lives have bought our freedom upon the altar of war's cruel sacrifice. Forget the valiant dead? We can not breathe one breath or live one moment which has not been bought by their heroic blood. We can not, we will not forget.

But what of the living heroes, the four million who wear the wounds of selfless struggle, the living veterans disabled for our sake, who daily die the living death of pain? Shall they have no part in our remembrance on this hallowed day? These are they who with virile valor faced the advancing foe, with calm courage stood their ground, with forthright fortitude bore the wracking wounds—and won the victory that America might live in the wholeness and unity of freedom's peace. These are the four million who rode into the valley of death and endured the maiming blows of bitter conflict that the wounded world might be healed by the blessed balm of liberty.

With sorrowful heart often have I seen them—those once crushed upon the battlefields of Europe, broken upon the broad Pacific's isles, torn asunder on Korea's heart-breaking hills. Proudly they will carry their scars of battle to the grave, yet wonder they must at our unmindfulness. Shall they, then, be forgotten on this day of memories? Shall they who bled to save us all not know the thanks and help of those they saved?

America, God-blessed land, embrace your injured soldier sons. In the blessed Name of Christ, Whose wounds were borne for us, hold out your hands to console, to strengthen, and to heal our veterans disabled by the brutal strokes of war. Take to your heart those whose hearts poured out their purple blood for us, for peace, that freedom's holy light might never dim.

Clara J. Chapp, 60, Dies Wednesday Eve. After Long Illness

Mrs. Clara J. Chapp, 60, North Avenue, died Wednesday at 6 o'clock p. m. at St. Therese hospital, Waukegan, following a lingering illness.

Mrs. Chapp was born June 8, 1897, in Milwaukee. She was a member of St. Peter's church and its Altar and Rosary Society.

Survivors are her husband, Fred G. Chapp, a son, Arthur Py, of Antioch, daughter, Mrs. Dorothy Wilton of Trevor, Wis., a brother, Theodore R. Kurtz, Milwaukee, and a sister, Miss Mary Kurlitz of Chicago and two granddaughters, Judy and Linda Wilton.

Funeral services will be held at 9:30 at the Strang Funeral home and at 10 a. m. at St. Peter's church Saturday.

Mrs. C. L. Heath III
Mrs. C. L. Heath was taken to the Lake County Tuberculosis Sanatorium in Waukegan Friday for treatment. She became very ill at work a week ago, and spent a week at Victory Memorial hospital before going to the sanatorium.

Drought Hurting Crops in Antioch Area; Village Has Good Water Supply, However

Antioch is blessed with a bountiful supply of good water as other villages in Lake County suffer from the drought.

While Round Lake has banned sprinkling and car washing in the daytime and Deerfield is demanding more water than the Highland Park station can supply, this village is well supplied by excellent water.

Farmers are quite fearful that unless there is a good rain within the next week, their crops will suffer severely. Only a trace of rain fell Tuesday evening, whereas a good "soaker" was needed.

The ground is too dry for corn to grow and where it has appeared above the ground it is of poor color. The same is true for soybeans. There will be little hay until better stands are given to alfalfa, clover and other legumes.

Pastures are suffering and dairymen are hoping for relief in that respect.

While there was plenty of moisture early in the year, and oats got a good start, the roots are not deep and now that the ground has become dry, the roots are not deep enough to obtain needed moisture.

The dry weather has increased the danger of grass fires.

Methodist Church School

The Antioch Methodist Church will hold its Daily Vacation Church school 1 p. m. to 3:15 p. m. Monday through Friday from June 9 through June 20 at the church. All parents are invited to send children of the ages kindergarten through sixth grade. Mrs. Charles Watson and Mrs. Wallace Anderson will be in charge.

Chairman for Lake Villa

Mrs. Fred Bartlett of Grand Avenue, Lake Villa, has been named chairman of the Doughnut Day tag sales in Lake Villa for the Salvation Army.

John Green of Chicago was a guest of the H. E. Shepard family Tuesday.

Assist. State's Atty. Seyfarth Back at Desk After 2-Month Illness

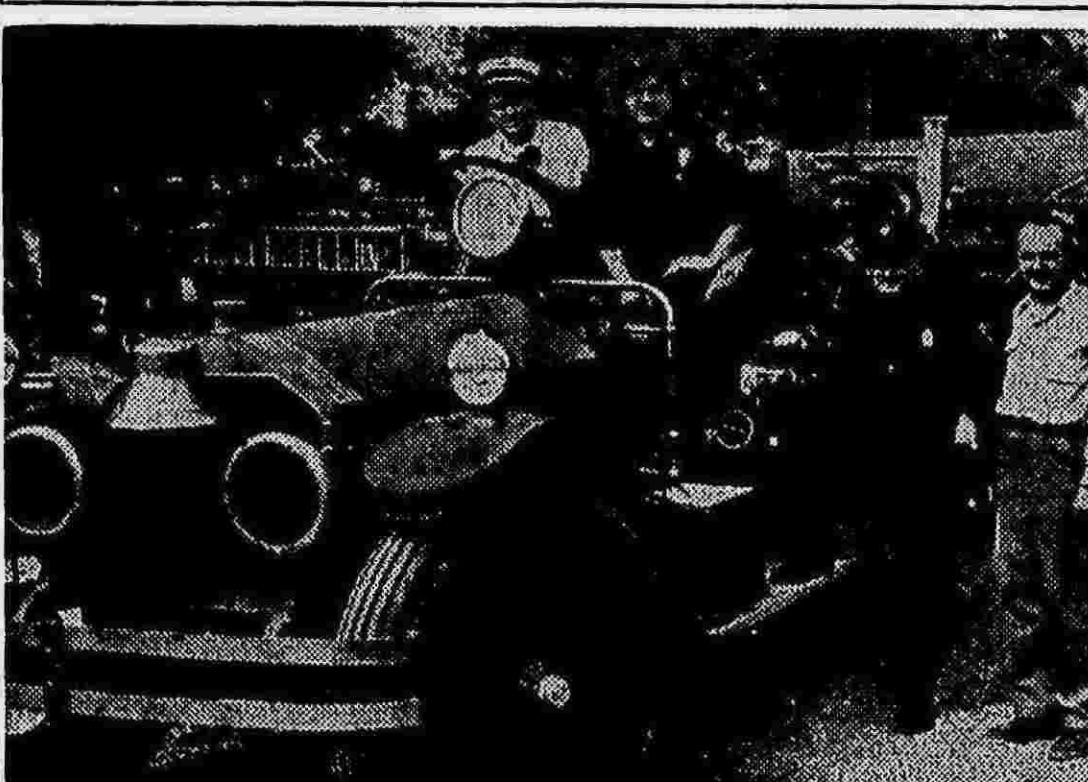

Assistant State's Attorney Richard Seyfarth of Antioch was back at his desk in the county court house Monday after an absence since March 31 when he suffered a heart ailment.

Told that he looked "fit as a fiddle," Seyfarth said, "I never felt finer in my life."

After he became ill Atty. Seyfarth was hospitalized for two weeks and thereafter recuperated at home. As per doctor's orders, the Antioch man has had to give up cigar smoking.

Atty. Seyfarth normally works with the County Court.

Memorial Day to Be Observed in Antioch, Lake Villa by Parades, Programs, Speeches; Resorts Prepare for Opening, 3-Day Holiday

Police Prepare For Much Traffic as Chicagoans Come To Lakes

The Antioch area today prepared to observe a three-day holiday weekend.

While nearly all-business will be closed in the village tomorrow, the resort-area considers Memorial Day a time for the opening of its season and thousands will pour from the metropolitan area for one or more days of relaxation at the inland waters.

The Antioch Aqua Center on North Main street will observe its opening for the season with open house during which swimmers will have the use of the pool without charge.

Picnic grounds expect big business, and the waters of Cedar and other inland lakes are said to be warm enough for swimming.

Police Chief Walter Scott said that he will have extra traffic policemen on duty at times during the next three days handling traffic on main routes through the village.

He expects the rush from Chicago to start this evening and will have traffic men at the high school to protect those attending the commencement from the through automobile traffic on Rte. 21.

Antioch business places that usually open on Friday evening will be open until 9 p. m. today instead. They will reopen on Saturday as usual.

The three-day holiday is causing the resort owners to lay in greater supplies than usual. They are hoping for favorable weather.

Antioch Firemen Get Sportsmanship Trophy As Convention Host

Fox Lake, Libertyville, Lake Villa, Wauconda Other Winners

Antioch firemen were most successful hosts to the annual Lake County Firemen's Convention Saturday.

Added to this was the satisfaction by Antioch firemen of having won the sportsmanship trophy.

Twenty-four fire companies came for the afternoon, brought their equipment, and engaged in the competitive events.

Nearly \$1 million worth of equipment was displayed during the parade at 1 p. m. over the Antioch streets.

Wauconda won the truck inspection contest for custom built trucks carrying 500 to 1,000 gallons, and Lake Villa won in class 2 for trucks carrying less than 500 gallons.

Fox Lake won the five-man hook-up trophy in competition with Winthrop Harbor, Grayslake, Lake Zurich, Newport, Libertyville, Zion, Lake Villa, Mundelein, Knollwood, and Round Lake.

Libertyville won the three-man hook-up trophy competing against these same departments.

Lake Zurich Fireman Collapses

In the water battle, Wauconda was the victor over Lake Zurich in the finals. Julius Geary, as nozzle man for Lake Zurich was competing against his son who was the nozzle man for Wauconda when he collapsed. Marvin Heath and Charles Larson of the Antioch Rescue squad

CWO Donald Francisco to Be Speaker at Program At Memorial Park

Chief Warrant Officer Donald Francisco, Jr., Antioch, stationed with the Air Force at O'Hare Field, will be the speaker at the annual Memorial Day service Friday forenoon at Memorial Park, Orchard st. and Broadway.

The program will follow a parade at 10:30 a. m. from the high school and high school bands will participate.

The parade will be led by a police escort and the combined color guards of the Antioch American Legion and Veterans of Foreign Wars.

Chief Francisco will be escorted by Cmdrs. Fred Gras of the V.F.W. and George W. Jensen of the American Legion.

The fire department, Rescue squad, marching Legionnaires and V.F.W. posts and their Auxiliaries, Boy Scouts and Cub Scouts, Girl Scouts and Brownies, will be among the participants.

Gold Star mothers will lay a wreath at the Memorial plaque; the Rev. Wallace Anderson of the Antioch Methodist church will offer the prayer; a firing squad will fire a salute and a trumpeter will blow taps as additional parts of the program.

Cmdr. Gras will introduce Francisco, the speaker.

Graves of veterans will be decorated during the forenoon.

Lake Villa Celebration

Lake Villa will have a much bigger Memorial Day celebration than usual this year. Capt. Gregory of the Army will be the speaker. The grade school band, a Navy marching band, the Round Lake High School R-Lettes and other patriotic groups will participate in the parade at 10 a. m.

Lake Villa Lions Start Rescue Squad Drive

The Lake Villa Township Rescue squad points to a total of 112 calls during the past year as it issued its appeal for contributions to its fund.

"People have been pried from wrecks, dragged from waters, administered oxygen, taken to hospitals and doctors," the letter of appeal said.

The record from January 1, 1957 to Jan. 1, 1958 was: Heart calls, 43; auto accidents, 25; home accidents, 24; drownings, 3; house fires, 2; childbirth, 3; miscellaneous, 12.

Martin Lau, Lake Villa Lions Club Rescue Squad committee said it cost all of the money collected last year to equip and operate the Rescue Squad including the building of a garage to house the squad vehicles.

Contributions may be sent to Lau, or B. J. Hooper, committee treasurer.

Antioch Grade School Graduates Told Next Four Years Important

The 44 pupils promoted by the Antioch Grade school Tuesday evening were told by the commencement speaker, the Rev. Wallace Anderson of the Antioch Methodist church that the next four years of their life will be important ones.

Using as his text the scriptural quotation from the Book of Luke "And Jesus grew in both wisdom and stature and in favor of God and man," the Rev. Mr. Anderson said that the pupils as students of the high school likewise would grow mentally, physically, socially, and spiritually.

He told the children that it will be important to make proper growth along these lines.

President Norman Jedeole of the Board of Education gave the welcome address, and County School Supt. W. C. Petty, introduced by Supt. Richard Whitacre presented the diplomas.

Camp Directors to Meet

Two meetings will be held at 8 p. m. Monday at the Grass Lake Scout House on Grass Lake road. Counselors of the Intermediate Camp and the Brownie Day Camp will meet to complete plans and receive instructions from the camp directors before the Lakeside Council camp sessions begin during the month of June

Antioch Beats Warren In Final Game 3 to 2, Ties For Second Place

Curtain Falls on Successful Diamond Season For Antioch High

Antioch High may not have the champion baseball team in the North Suburban Conference this year but it knows it can beat the champion—Warren High.

The Sequoits did it twice this season, ending its campaign with a 6 to 3 victory over the champs here Friday.

As the result of the victory, Antioch finished in a tie for second place with Grayslake with seven victories and five defeats. Warren, the champion, had 9 victories and 3 defeats.

The one-run losses to Grant and Wauconda were all that kept Antioch from the conference champion-ship.

Antioch firemen were most successful hosts to the annual Lake County Firemen's Convention Saturday.

Added to this was the satisfaction by Antioch firemen of having won the sportsmanship trophy.

Twenty-four fire companies came for the afternoon, brought their equipment, and engaged in the competitive events.

Nearly \$1 million worth of equipment was displayed during the parade at 1 p. m. over the Antioch streets.

Wauconda won the truck inspection contest for custom built trucks carrying 500 to 1,000 gallons, and Lake Villa won in class 2 for trucks carrying less than 500 gallons.

Fox Lake won the five-man hook-up trophy in competition with Winthrop Harbor, Grayslake, Lake Zurich, Newport, Libertyville, Zion, Lake Villa, Mundelein, Knollwood, and Round Lake.

Libertyville won the three-man hookup trophy competing against these same departments.

Lake Zurich Fireman Collapses

In the water battle, Wauconda was the victor over Lake Zurich in the finals. Julius Geary, as nozzle man for Lake Zurich was competing against his son who was the nozzle man for Wauconda when he collapsed. Marvin Heath and Charles Larson of the Antioch Rescue squad (continued on page 7)

CWO Donald Francisco to Be Speaker at Program At Memorial Park

Chief Warrant Officer Donald Francisco, Jr., Antioch, stationed with the Air Force at O'Hare Field, will be the speaker at the annual Memorial Day service Friday, noon at Memorial Park, Orchard st. and Broadway.

The program will follow a parade at 10:30 a. m. from the high school in which both the grade school and high school bands will participate.

The parade will be led by a police escort and the combined color guards of the Antioch American Legion and Veterans of Foreign Wars.

Cmdr. Gras will be escorted by Cmdrs. Fred Gras of the V.F.W. and George W. Jensen of the American Legion.

The fire department, Rescue squad, marching Legionnaires and V.F.W. posts and their Auxiliaries, Boy Scouts and Cub Scouts, Girl Scouts and Brownies, will be among the participants.

Gold Star mothers will lay a wreath at the Memorial plaque; the Rev. Wallace Anderson of the Antioch Methodist church will offer the prayer; a firing squad will fire a salute and a trumpeter will blow taps as additional parts of the program.

Cmdr. Gras will introduce Francisco, the speaker.

Graves of veterans will be decorated during the forenoon.

Lake Villa Celebration
Lake Villa will have a much bigger Memorial Day celebration than usual this year. Capt. Gregory of the Army will be the speaker. The grade school band, a Navy marching unit, the Round Lake High School R-Lettes and other patriotic groups will participate in the parade at 10 a. m.

Lake Villa Lions Start Rescue Squad Drive

The Lake Villa Township Rescue squad points to a total of 112 calls during the past year as it issued its appeal for contributions to its fund.

"People have been pried from wrecks, dragged from waters, administered oxygen, taken to hospitals and doctors," the letter of appeal said.

The record from January 1, 1957 to Jan. 1, 1958 was: Heart calls, 43; auto accidents, 25; home accidents, 24; drownings, 3; house fires, 2; childbirth, 3; miscellaneous, 12.

Martin Lau, Lake Villa Lions Club Rescue Squad committee said it cost all of the money collected last year to equip and operate the Rescue Squad including the building of a garage to house the squad vehicles.

Contributions may be sent to Lau, or B. J. Hooper, committee treasurer.

Antioch Grade School Graduates Told Next Four Years Important

The 44 pupils promoted by the Antioch Grade school Tuesday evening were told by the commencement speaker, the Rev. Wallace Anderson of the Antioch Methodist church that the next four years of their life will be important ones.

Using as his text the scriptural quotation from the Book of Luke "And Jesus grew in both wisdom and stature and in favor of God and man," the Rev. Mr. Anderson said that the pupils as students of the high school likewise would grow mentally, physically, socially, and spiritually.

He told the children that it will be important to make proper growth along these lines.

President Norman Jedele of the Board of Education gave the welcome address, and County School Supt. W. C. Petty, introduced by Supt. Richard Whitacre presented the diplomas.

Camp Directors to Meet

Two meetings will be held at 8 p. m. Monday at the Grass Lake Scout House on Grass Lake road. Counselors of the Intermediate Camp and the Brownie Day Camp will meet to complete plans and receive instructions from the camp directors before the Lakeside Council camp sessions begin during the month of June.

Women who are to be counselors, or who are interested should attend these meetings without fail.

Is Freedom A Dead Duck?

It is heartening to report that there has been a vast amount of protest over a ruling of the Internal Revenue Service concerning certain institutional advertising placed by the taxpaying electric utility companies of the country. This advertising, in general, has presented the private enterprise side of the power question as against the socialized power side. And the IRS said it could not be regarded as a legitimate business expense in making tax returns.

A typical view is found in a resolution passed by the Southern Newspaper Publishers Association: "... such a ruling ... is a threat to freedom of speech, freedom of the press, and freedom to communicate, and this ruling infringes upon the constitutional rights of independent power companies, other businesses and individuals, and is a violation of the fundamental principles upon which this country was founded and which have made it flourish under economic, political and social freedom."

Editor Jack W. Gore of the Ft. Lauderdale Daily News, reprinted that statement and added: "If the private power companies can be penalized in this fashion then any private industry, including the press, can be throttled in much the same way. In other words, the federal government can propagandize the people all it wants to and even use our own money against us to accomplish its ends. But free enterprise, threatened by government encroachment into its field of business endeavor, can't take its case to the people and treat the cost as a legitimate business expense."

If taxation can be used as a weapon to prevent the airing of the views of any business or group, we can write freedom off as a dead duck in this country. * * *

The Meat Situation

Meat has been in comparatively short supply and, consequently, prices have risen. Growers are building up their herds and so are marketing fewer animals.

This matter prompted an interesting editorial observation in the Portland Oregonian. It pointed out that Department of Agriculture experts are afraid that meat producers may expand their breeding stocks too rapidly, and thus bring on a meat oversupply accompanied by plummeting prices about two years from now. Then the Oregonian said: "The ideal would be for producers to send just enough animals to market to maintain fair prices but not to boost them to the point where consumers will rebel. . . . But stringent controls would be necessary to achieve such a situation, and this no one desires. Government controls and price supports have complicated other phases of agriculture. Cattle growers have got along without them and so they should continue, even though steaks are high now and may be cheap two years from now."

Meat moves in a free market. Like any free market commodity, meat prices will vary drastically on

occasion. But one thing is sure—in the long run both producers and consumers get a fair price break. Another point needs mention here. Despite price increases, the average worker earns enough money in 29 minutes to buy a pound of round steak today—as compared with 36 minutes in 1948.

We're Lucky

Research and experiment have produced a great new body of knowledge concerning the production of electricity from nuclear sources. But we have still a long and difficult way to go before the problems are surmounted.

This, in essence, highlights a report made by an appraisal committee set up by the country's investor-owned utility companies. It points out, for instance, that the known world reserves of uranium available at present prices amount to about 1 million tons. The chances of developing an additional equal amount are considered favorable. The report then says: "At present rates of power consumption with thermal reactors this would provide all of the world's electricity for a period of only twenty years." Hence, the emphasis now is on breeder-type reactors, which produce additional nuclear fuels while operating.

Our commercial power, it is clear, is going to come from conventional sources for a long, long time. And we're lucky in those sources. We have enough known reserves of coal, for instance, to last for a thousand years or more—and we have a coal industry which can be trusted to make the best use of that huge supply. Coal is an extremely economical fuel. Modern coal-burning plants can produce electricity for about 8 mills a kilowatt hour. By contrast, the cost at a nuclear plant which recently went into operation is 64.4 mills as much.

We're lucky in still another way. The fact that we have unlimited supplies of low-cost, high-quality coal makes a wasteful crash program of nuclear development unnecessary here.

The Chains Are Confident

Most operators of this nation's chain stores consider the current recession little more than a temporary obstacle to their expansion and sales goals—and many expect that an upturn will soon put them to equal or surpass last year's sales. That happy observation is made by Chain Store Age, after surveying some four-dozen chains, representing virtually all fields of retailing.

As an example of this optimism, the majority of companies reported that conditions had caused no curtailment of previously laid plans to build new stores and to modernize and improve others. Only one chain has abandoned its improvement program completely. In addition, advertising and sales promotion campaigns are not being curtailed, although, naturally enough, all techniques, tools and tactics are being scrutinized to see that the advertising dollar does the most effective job possible. Many of the systems are spending more on promotion activities to reach the consumer with money to spend.

An important development from the consumer point of view is that, due to greater consumer resistance, many chains are looking for better buys in merchandise. The goal is to offer prospective buyers the best possible deal.

All of this certainly comes under the heading of good news. The volume of retail trade is an enormously important factor in deciding just how good or bad economic conditions in general are. We'll all hope that the chains' confidence proves to be fully justified.

Why A Tax Cut Must Not Be Further Postponed

In a speech delivered on the floor of the Senate recently, Senator Paul H. Douglas (D., Ill.) said that the present recession "... is deeper and more serious than either of the other two post-war recessions" and that "... less has been done by the Administration to stop it or to try to turn it around than was done in either of the other two recessions." In his speech, Douglas called for an immediate tax cut of \$6 billion in personal income and excise taxes.

The Economic Situation

The Illinois Senator cited the "big drop in the Index of Industrial Production, the great rise in unemployment," which the Administration has minimized, and "the large fall in business plans for new plant and equipment," as proof of the seriousness of the recession. He said that "The time to 'wait and see' has ended."

Senator Douglas said that the Federal Government should follow "counter-cyclical policies and that, 'For the Federal Government to tighten its belt now,' as some have advocated, 'at the same time that private business and individuals are contracting would bring economic disaster."

Tax Cut Best Way to Act

Senator Douglas said that apart from increasing unemployment benefits, the "quickest and most effective way to act is by the right kind of a tax cut." The Illinois senator pointed out that such a cut would not only "stimulate demand and purchasing power," but that the cut in excise taxes would result in reduced prices.

Douglas said that a \$6 billion tax cut—which went to low and middle income groups who would spend it, "... would have a much greater effect than a mere \$6 billion stimulus to the economy" and "should result in an eventual increase in our Gross National Product of about \$18 billion." The senator said that as local, state and federal governments collect about one-fourth of the amount of our gross national product in taxes, the actual cost of a \$6 billion cut would be a net revenue loss of only about \$1.5 billion.

Public Service Co. Establishes Records In Electricity Volume

Public Service Company's Northern Division, which has its headquarters at Northbrook, last year established new records in volume of electricity sold and number of its customers, Harold W. Otto, Division vice-president, said today in a report of the division's 1957 activities.

Northern Division's 1957 sales reached a peak of 1,887,000,000 kilowatt-hours, an increase of 13.3 percent over 1956. These sales were larger than those of many sizeable electric companies. For example, the total was more than the volume done by San Diego Gas and Elec-

Assembly of Fire Fighting Equipment at County Convention

Nearly a million dollars worth of fire fighting equipment brought in by 24 Lake County companies was on display at the Lake County Firemen's Convention here Saturday. Renaissance of Track and Field Effected at A.T.H.S. by This Team

Dormant for several years, track and field came back strong at Antioch Township High School this year through this team which had regional and state calibre in its ranks. The members are, left to right, top row — Chris Davis, Paul Magiera, Tom Milwaukee, Brian Cain, Bill Dressel, Vince Nuscedo, Ken Althouse; second row — Dan Seyforth, manager, Tom Burda, Marty Quilty, Jim Denton, Walt Rosquist, Phil Mitchell, Wes Merriman, Coach Bob Walther; first row — George Greene, Don Eggleston, Ken Truelson, John Serhson, Ted Radakovic, John Roach, and Coach Bill Baird. Quilty was this year's captain, and Dressel will be the captain for next year. Jim Denton was voted the most valuable member. Quilty showed the most team spirit on the varsity and Ted Radakovic on the fresh-soph team. The most improvement was shown by George Greene, freshman; Phil Mitchell, sophomore; Bill Dressel, junior; and Marty Quilty, senior. (Polly Photo)

expenditure can be realized when you consider it is enough to build 10,000 three bedroom homes equipped with all-electric kitchens—and put a new automobile in each driveway.

"Under our projected construction program, which is subject to revisions to meet changing conditions, it is estimated that the system will spend \$600,000,000 on property additions during the four years 1958-1961. The estimated outlays for future construction will raise the total construction expenditure for 16 postwar years, 1946-1961, to more than 1.6 billion dollars.

"After allowing for retirement of older units, it is estimated that the net generating capability of the system will be 5,988,000 kilowatts by the end of 1961. This compares with 4,092,000 kilowatts at the close of 1957 and 2,303,000 kilowatts at the end of World War II.

"YOU MEAN IT'S AS SIMPLE AS THAT?"

"I could have saved myself all those buying headaches if I'd just looked in the Yellow Pages."

Motorist Isn't Doing Such A Bad Job

ROCKFORD—The motorist generally is doing a better job than he is being given credit for, a Motor Club official said today.

Gordon Lindquist, assistant director of the club's Safety and Traffic Engineering department, told the Rockford Kiwanis Club:

"Our greatest hope for a decrease in the number of traffic fatalities will come through the complete understanding and co-operation of the driver, not through crackdown police techniques."

Lindquist explained that everyone agrees the "solid support of the driving public is needed to stave off further increases in our accident toll. However, the difference of opinion lies in how to get this support."

"Some traffic experts," he said, "are of the opinion that the real salvation in accident reduction will come through more enforcement, more police, and crackdown techniques of rudely awaking the public to the horrors of traffic accidents and what a poor job the motorist is doing."

"In 1956, with 64½ million vehicles crowding our inadequate highway system, the motorists of this country had a mileage death rate of 6.4 fatalities for every 100 million vehicle miles traveled. In 1946, the death rate was 9.8; in 1936, 15.1; in 1921, with but 10 million vehicles in use, the death rate was four times as great as 1956—25.3 per 100 million vehicle miles."

Lindquist said research into causes of traffic accidents offers the greatest hope for accident reduction. He noted there were several research projects under way throughout the nation, the results of which will provide a sound basis for better programs dealing with education, engineering, and enforcement, and added:

"We must gain the confidence of the average driver and make him a partner in the safety program. He should not be condemned as a lawless individual or a second-rate citizen because he is a driver of an automobile."

Lindquist said with many millions of new drivers anticipated in the future, "we will need to modernize not only our highways and our automobiles, but also our traffic laws, our police departments, and our educational methods. Only by applying these modern techniques, along with the cooperation of the average motorist, can we confidently expect to reduce the accident rate even more."

How not to build a fire, or how to build a smoky one might be the title of this photo. Bill Eckert and Wayne Bentel, of Troop 91, Antioch, find they've stirred up a little smoke as they throw a couple more logs on the fire at the Scout camporee last weekend at the Lake County Fair Grounds.

Walter H. Shepard Honored at Mo. School Of Mines Convocation

Walter H. Shepard of Antioch, Mechanical Engineering student, recently received honors at the ninth Convocation of Missouri School of Mines and Metallurgy of the University of Missouri.

According to Dr. Curtis L. Wilson, Dean of the school, the purpose of the Honors Convocation is to make certain awards in public acknowledgment of superior scholastic attainment and general engineering promise, the latter involving such aspects of personality, initiative, integrity, and leadership.

Walter, son of Mr. and Mrs. H. E. Shepard of Antioch, is a member of the student council, has recently been elected president of the Alpha Iota chapter of the Sigma Pi Fraternity, and is Company Captain of the R.O.T.C. Engineers Corps.

The convocation involved the announcement of cash awards, scholarships, and medals, to those who have brought distinction to themselves and to the school through various extracurricular activities during the period April 1, 1957 to April 1, 1958. Prof. William J. Jensen acted as chairman of the convocation program.

Parents of Daughter

The Rev. and Mrs. Edmond E. Hood are the parents of a daughter, "Carolyn Sue," born May 18 at Victory Memorial hospital. The little girl weighed 8 lbs. and 14½ ounces. Mrs. Hood and daughter are now at home and doing fine. The Hoods have another daughter, Pamela, 2½ years old.

Mr. and Mrs. Floyd Gordon of Ottawa were week-end guests of Mr. and Mrs. Donald R. Gaston.

A most timely and interesting program has been planned. Mrs. Claire Appleby of Lake Villa will speak on "Flower Gardens and Floral Arrangements." All of the ladies of the parish are cordially invited to attend. Mrs. Jack Wells will be chairman of the hostess committee and will be assisted by Mesdames Albert Bucar, Clarence Schwab, Vincent Stonis, Glen Pierce, Bernard Dost and William Schmidt.

Meetings will be dispensed with during the summer months and be resumed again in September.

William G. Maleck To Receive A.B. Degree at Notre Dame University

William G. Maleck of Antioch will receive an A. B. degree at the University of Notre Dame's 113th annual commencement exercises Sunday, June 1.

Secretary of Labor James P. Mitchell will be the commencement speaker at ceremonies in the Notre Dame Stadium at 2 p. m. Archbishop William O. Brady of St. Paul,

William G. Maleck

Minn., will preach the baccalaureate sermon during a solemn Pontifical Mass to be held in the Stadium at 9 a. m.

Rev. Theodore N. Hesburgh, C.S.C., Notre Dame president, will confer degrees on approximately 1,335 graduate and undergraduate students at the afternoon exercises.

Mr. Maleck is the son of Mrs. Doris Maleck and the late George C. Maleck.

Named to Honorary Society

Albert W. Herman, North Ave., Antioch, has been named to membership in Sachem, junior men's activity honorary society at the University of Illinois.

Members are chosen on the basis of participation and leadership in university student activities. The organization was founded at the U. of I. in 1930.

Mr. and Mrs. Kenneth W. Smouse, 781 North Main st., were guests of Mr. and Mrs. Wilbur Smouse at Marseilles, over the week-end, and attended the wedding of Miss Eleanor Ann DeVries, daughter of Dr. and Mrs. Jerry DeVries of Ottawa. Mr. Smouse was soloist at the Silver Lake Baptist church.

Mrs. Hattie Hansen returned home recently after undergoing major surgery at Victory Memorial hospital.

Walter A. Kellogg To Graduate Friday From F.T. Institute

PHOENIX, Arizona—(Special)—Walter A. Kellogg, son of Mr. and Mrs. Walter Kunigowski, Antioch, Ill., will be graduated from the American Institute for Foreign Trade, Phoenix, Ariz., on May 30.

Specializing in Latin America, Kellogg has taken the school's intensive training course in preparation for a career in American business or government abroad.

Kellogg attended Antioch High School, Antioch, Ill., received a Bachelor of Arts degree in History from Lake Forest College, Lake Forest, Ill., and a master of arts in International Relations at the University of Chicago.

His wife, the former Patricia Ann Patejdl, daughter of Dr. and Mrs. Joseph Patejdl, 121 St. East of 86th Avenue, Palos Park, Ill., has been with him at Thunderbird where she has had the opportunity to learn the language and customs of the country in which her husband plans to work.

Kellogg will begin work with Cummins Engine Company following his graduation from the Institute, training for a position in the company's overseas operations.

Dennis W. Brezina Receives Appt. to Supt. List at Naval Academy

ANNAPOULIS, Md., May 20 (FHT)—Midn. Dennis W. Brezina, son of Mrs. Bessie W. Boyd, of 258 Park ave., Antioch, has been appointed to the Superintendent's List at the U. S. Naval Academy, Annapolis, Md., for his accomplishments during the second term of the academic year 1957-58, it was announced today.

The List is similar in many ways to the Dean's List at many colleges and universities. In order for a midshipman to be so honored, he had to meet a minimum academic average of 3.3 (82.5%) in his studies, have a mark no lower than 3.2 (80%) in aptitude, and possess a conduct standing satisfactory to the Commandant of Midshipmen.

Those who achieve the distinction of making the Superintendent's List, are granted special privileges commensurate with their class for the succeeding term. This also creates among the midshipmen an increased interest in doing well and taking deeper pride in their work.

A.T.H.S. MUSIC ASSN. HOST TO MUSIC STUDENTS

The Modern Music Masters, an honorary student group, was the guest of the Antioch Township High School Music assn. recently at the school.

Officers were installed by the new president and Louis Horton installed as vice president. Mrs. Kenneth Young is the new secretary and Mrs. Gustav Eckert became treasurer. John Romer, retiring president, conducted the installation.

New members were installed in Modern Music Masters as each performed for the group or read a paper associated with music. They are Norma Brown, Alan Storch, Darlene Harms and Carolyn Westberg.

Their installing officers were officers in the Modern Music Masters, Nancy Wetterberg, president; Steve Aschenbrenner, vice president; Lois Wagner, secretary; Sonya Pickus, treasurer, and Bryan Cain, historian.

Mrs. Kenneth Young was made the second honorary member of the group, in recognition of her service in the music department. Mrs. Walter Aschenbrenner was the first to receive the honor two years ago. Kenneth Smouse, faculty adviser, gave a review of the year's work and proposals for the coming year.

W. S. C. S. TO INSTALL OFFICERS

The Woman's Society of Christian Service of the Methodist church will hold a regular meeting Wednesday, June 4, with a pot-luck luncheon at the church. Mrs. O. R. Kresse will lead the devotions. The historian's report will be read and the new officers will be installed.

Albert W. Herman, North Avenue, Antioch, has been named to membership in Sachem, junior men's activity honorary society at the University of Illinois. Members are chosen on the basis of participation and leadership in the university student activities. The organization was founded at the University in 1930.

Mrs. George Garland, 1040 Victoria st., left Antioch Wednesday for a visit with her daughter and husband, Dr. and Mrs. H. W. Hawkins, at Aberdeen, Maryland.

Mr. and Mrs. Everett Oftedahl left Antioch Friday for a few days visit in New York. Mr. Oftedahl, proprietor of the Froster Sno Co., is transacting business while there.

The Rev. and Mrs. B. M. Petty of Sumner, Illinois, were week-end guests of Mr. and Mrs. W. C. Petty.

Cardinal Stritch Dies, Had Blessed St. Peter Convent, Grade School

Antioch area residents joined with those of the rest of the Chicago Roman Catholic diocese in mourning the death of the late Samuel Cardinal Stritch who expired Tuesday at the Vatican in Rome.

Cardinal Stritch flew to Rome April 25 and assumed the post of pro-prefect of the Vatican's Congregation for Propagation of the Faith. He was the only native American ever to be appointed to the Vatican Curia, the church's highest administrative body. The body will be brought to Chicago for burial.

Cardinal Stritch visited Antioch on at least two occasions—on the blessing of St. Peter's school, and the other, the blessing of St. Peter's convent. Both were memorable occasions locally.

Blood clot, which necessitated amputation of one arm, and paralysis, preceded the Cardinal's death.

Mrs. Rose Nass and children Wallie and Grace, Mr. and Mrs. H. N. Nass, all of Watertown, Wis., were Sunday guests of Mr. and Mrs. William Gerber.

Antioch Man Presents K. of C. Award To McHenry School Pupil

Cameron Clark, student at St. Mary's school in McHenry was presented a check for \$150 Wednesday of last week by Dr. W. A. Birion of Antioch, scholarship chairman in behalf of Bishop Boylan Assembly of the Fourth Degree, Knights of Columbus.

Frank O'Rourke, navigator of Bishop Boylan Assembly, and Sister Mary Leander, Cameron's teacher, along with the boy's classmates were in attendance as the award was made.

Each year all parochial schools in the Bishop Boylan Assembly area are invited to participate in this contest. The student submitting the best essay on the life of Christopher Columbus is given the award. Judging was done by the English department of St. Benedict's Abbey, Benet Lake, Wis.

Dr. Birion has held this chairmanship since its inception.

Mr. and Mrs. George Good plan to leave Antioch this week for a visit with their son, Gordon and family, at Cleveland, Ohio.

Grass Lake Pack 80 Holds Annual Picnic

Grass Lake Cub Pack 80 held its annual picnic last Sunday, May 25 in the woods behind the Grass Lake school. The theme this year was "Circus Days" and the various dens and their leaders worked hard to impart the right atmosphere. Many of the boys came dressed as clowns, ringmasters, circus animals and strong men.

One of the featured attractions was the "Midway," where each den had set up some kind of game or exhibit. There was a Dart Game, Peep Show, Milk Bottle Game, Squirt out the Candle, Ring Toss, and the Spook House, which stole the show completely.

When everyone assembled and had a chance to look around a bit a short pack meeting was held. The boys of Den 3 presented the colors and led in the Pledge of Allegiance.

The following boys received awards:

George Sedovic—Bobcat
Robert Sedovic and Carl Hawkins—Bear
Charles Robertson and Bobby Beese—Gold Arrow under Wolf
Carl Hawkins—Gold Arrow under Bear

William Cogdill, Carl Hawkins and Branden Schaefer—Denner's Bars
Jerry Murphy—Asst. Denner's Bars.

All the boys lined up then for the turtle race. This was a relay race run by wooden turtles which the boys had made in den meetings. Den 1 was the winner, although Den 2 claimed a partial victory as the winning turtle was the one they had made.

A nice touch was added by the new Cubmaster Earl Beese and his wife, Barbara, who had made at least a bushel of popcorn, put it in bags, and passed it out to everyone.

The harder members remained to eat the picnic lunches which they had brought along, although the cold wind made a lot leave early.

Three Hurt in Headon Car Crash on Rte. 173

Three persons were injured in a two car collision shortly after midnight Saturday on Rte. 173 two miles east of Rte. 45.

They were Gerald L. Kalk, 14, of 3108 W 29th st., Zion; Wallace A. Buchan, Jr., 23, Park Ridge, and Dennis J. Daley, 23, Chicago. All three were treated for cuts and bruises at Victory Memorial hospital, Waukegan, where they were taken by the Antioch Rescue squad.

Deputies Carl Schmidt and John Keyser reported that Kalk was headed west on Rte. 173 and was passing an unidentified car when he collided headon with the Buchan automobile. He was charged with reckless driving and will appear before Justice of the Peace Emil Lindvahl June 3.

Cub Pack 92 Closes Year With Carnival And Circus Meeting

It was circus and carnival time at the Grade School gym last Friday when the boys of Cub Pack 92 of Antioch had their last Pack meeting of the season.

The boys in the Webelos Den, dressed as hobos, presented the flag. This was followed by a skit given by Den 6 called Circus Time.

All of the boys and den mothers were dressed in costume and each den had a parade.

A pennant was won by Den 4 for the best attendance of parents. At each pack meeting in the future the dens will compete to see if they can hold this flag.

The Pack said farewell to three den mothers who are leaving the pack. They are Mrs. Pearl Taylor, Rosemary Eckert and Mary Bruski.

The giving of awards was followed by the Webelos graduation. Chester White welcomed two boys into Troop 91 and Jim Bruski, representing Scout Master Jim Horton of Troop 92 welcomed the other two boys.

Refreshments were served with Mrs. Sheldon in charge. One of the new boy scouts left with the den chiefs to go to the camporee at Lake County fair grounds.

On Saturday Den 1 attended the Cinerama "Search for Paradise" in Chicago and afterwards had a hot dog picnic on the lake front.

Awards were given as follows:

Bobcat—Denny Smith

Wolf Badges—Kurt Williams, Bruce Muir, Bruce Knutson, Richie Stroner, Pat Paty, GA and SA, Billy Smith, GA and SA, Leonard Story, GA, and Roy Zeman.

Bear Arrows—Don Zeman, GA, Doug Hellstern, SA, Mike Sterbenz, GA and SA, and Neil Taylor.

Salem Wins Playoff, To Enter Sectional Friday at Plymouth

As the result of its 3-1 victory over Milwaukee Boys Tech under the lights Monday night, Salem Central will play in the sectional high school baseball tournament tomorrow—Memorial Day—at Plymouth, Wis.

Four teams will play in the two afternoon games and the winners will engage in the playoff at night. The winner of the sectional will play at Eau Claire, Wis., in the state contest on June 8 and 9. Out of the eight teams there a state champion will be determined. The Big Eight will not compete in this tournament.

Many Antioch residents saw the game Monday night at the Salem Central diamond and the spectators are still talking about the shot-like throw of centerfielder Ray Ellis that cut off a Tech runner going to third from first on a two base hit. Ellis was 400 feet out when he rifled the ball to the third baseman and ended the Tech rally.

Another run was saved in the third inning when Reynolds Davis made an over-the-shoulder catch of what seemed certain to be a Tech double. While the outfields worked heroically to preserve the victory, the Salem runs were mainly gifts from Tech. In the first, Davis Ellis singled, stole second, and went to third on an infield error. He scored on a sacrifice fly by his brother, Ray.

In the fifth Ray Lubkeman walked, and scored when third-base man Stewart of Tech overthrew second on a bunt.

The final score came in the sixth when Dick Weber walked, got to third on a wild pitch and Dave Erickson's hit, and then sped home on Dave Westman's slow bounder to short.

Although Salem's Dick Skora struck out 10 men, he missed a shutout when during an argument over an umpire's call, a Tech runner slipped across from second to third, and scored on a bunter to short.

Salem now has a 13-1 record for the season.

Schools Come to Close

Antioch High School graduates and students will return to school for the last time this semester on Monday when the big event will be the award of honors at an assembly. Grades probably will be ready.

The Antioch Grade School closed for the summer yesterday.

Salem Store Burglarized

Clues are being investigated in an effort to solve a burglary at the Ranch restaurant in Salem, Wis. Someone broke in and took \$25 in change from a juke box, ten \$1 bills from a cigar box and 30 packs of cigarettes. Owners of the restaurant are Frances Lucas and Clara Ashby.

The Salem Center school closed Tuesday for its summer vacation.

Lake County Museum Has Special Exhibits

The Lake County Museum of History, U. S. 41 at Wadsworth Road, Lake County, Ill., is featuring a series of exhibits with special references to Memorial Day. Outstanding are Civil War life-size figures in battle uniforms.

Did you know Memorial Day was first observed in honoring the heroes of the Civil War? Like a history book come to life, these war exhibits show how Billy Yank and Johnny Reb lived, fought and perished 90-odd years ago.

The Museum, open 10 to 6 p. m. Tuesdays through Saturdays, and Sundays 12-8 p. m. offers other exhibits of special interest to this region. The Lake County Museum of History is an accredited member of the Midwest Conference of the American Association of Museums.

Burlington Attracted Antioch Citizens on Memorial Day in 1895

Mrs. Nellie Ray, of Waukegan, a native of Antioch, called on friends here Tuesday and brought to the Antioch News a clipping from its files in 1945 which reported events of June 6, 1895. Excerpts of the historical column follow:

(Antioch News—June 6, 1895)

"Decoration Day was not observed in Antioch except that the old veterans and school children headed by C. E. Allen, and Will Williams, with fifes and drum went to the cemetery at 8 o'clock and decorated the graves of the fallen heroes. Next year we hope to see the day more generally observed."

"About 70 persons took the train here for Burlington Decoration Day. The address was given by the Rev. Clarence Abel of Antioch, who had an audience of about one thousand people."

Salem Teacher Hurt When School Bus Tips

Salem Center second grade pupils escaped injury but their teacher, Miss Carol Vaughn, 21, received head injuries and cuts when the school bus tipped over on its side near the school grounds on Rte. 83 last Thursday while the children were being taken to Petrifying Springs for a picnic.

Harvey Taylor, Paddock Lake, driver of the bus, said the bus overturned when he reached out to catch some lunch buckets which started to slide.

Mothers of the children waiting for them at the picnic grounds, were summoned back to the school.

Lions Get Preview of Dresden Nuclear Plant

Antioch Lions were given a description of what the new Nuclear Power station at Dresden, Ill., will be like through a movie "Dateline for Tomorrow," shown by Owen Fordham and William Anderson of the Public Service Co. at Smart's Country House Monday evening.

The new plant at the junction of the DesPlaines and Kankakee rivers is under preparation by eight power firms of which Commonwealth Edison and Northern Illinois Public Service Co. are among. The plant will be ready for operation in 1960 and is expected to supply power for Northern Illinois and Chicago.

A 60-ton enriched core of uranium will for six years supply the power that ordinarily would be produced by 600,000 tons of coal yearly.

New members inducted by the Lions Club were Walker Lyons and Laurence Ryan, proprietors of the Ford Agency.

and others revived him through the use of oxygen.

While the water battle was in progress the Antioch department received a call to fight a slough fire at Matt Nolan's resort at Petite lake. Chief Edgar Simonsen dispatched Lew Van Patten and a crew of seven to the scene.

The elimination in the water fights were as follows:

First round—Fox Lake defeated Winthrop Harbor; Libertyville beat Round Lake; Lake Zurich beat New- port; Grayslake beat Knollwood; Mundelein beat Lake Villa; Highwood beat Zion, Deerfield beat Bonnie Brook, Vernon beat Ingleside; and Wauconda beat Gurnee.

Second round—Fox Lake beat Libertyville, Lake Zurich beat Grayslake; Mundelein beat Highwood; Wauconda beat Deerfield, and Vernon drew a bye.

Third round—Lake Zurich beat Fox Lake; Wauconda beat Mundelein, and Vernon drew a bye.

Semi-final—Lake Zurich beat Vernon, and Wauconda drew a bye.

Final—Wauconda beat Lake Zurich in two straight heats. Other contests were limited to one heat.

Chairman Otto Hanke has much praise for his committees.

"Everything went like clockwork," he said.

An estimated 1,200 watched the competitive events.

Following the contests the visitors were served refreshments by the Antioch Fire department and Rescue squad.

"Hang On To The Boat"

If you follow the basic rules of small craft safety that have been outlined for you in the previous articles, you will not have the problem that is pictured here. But if the boat should capsize or fill with water, remember this . . . Hang on to the Boat . . . It is your life preserver and will hold many times the maximum load that we mentioned previously, when it is full of water. The boat will not sink even though it is made of metal; it has floating devices built in the form of air tight tanks or non-sinkable ballast . . . it will not sink . . . Wait for your rescuer to come to you and make yourself as comfortable as possible by climbing into the swamped boat, keeping yourself as

now to the water-line as possible. Mand paddling the boat to shore is possible and although it will take time, it is much safer than attempting to leave the craft and swimming for shore. Let me repeat once more for emphasis because it is that important . . . Hang on to the Boat. While you are at it "Get in the Swim" at the Antioch pool this summer. No Traffic Death
Predictions to be Made

A new Motor Club policy of not making holiday accident predictions will go into effect Memorial Day, J. J. Cavanagh, president, said yesterday.

Cavanagh explained that "no good purpose is served by making advance holiday traffic fatality estimates." He said the Motor Club, which had issued predictions on Illinois and Indiana deaths over holidays, will not issue predictions for the three-day Memorial Day weekend, nor on the Fourth of July and Labor Day.

This stand recently received the endorsement of the Illinois Editor and Publisher Highway Traffic Safety Seminar. Safety experts point out that accidents over a normal weekend usually are as high as holiday mishaps, and that predictions do nothing to deter accidents.

This year's three-day Memorial Day holiday is expected to find more than 300,000 cars leaving the Chicagoland area for trips within a 350-mile radius, according to the Motor Club. In addition, the three days will see some 550,000 cars in use in the immediate Chicago area.

The heaviest outgoing traffic will take place after 5 p. m. Thursday, May 29. The peak of the return traffic is expected from 7 p. m. to 9:30 p. m. Sunday, June 1. It is estimated that approximately 300,000 cars will be making the return trip to Chicagoland on June 1.

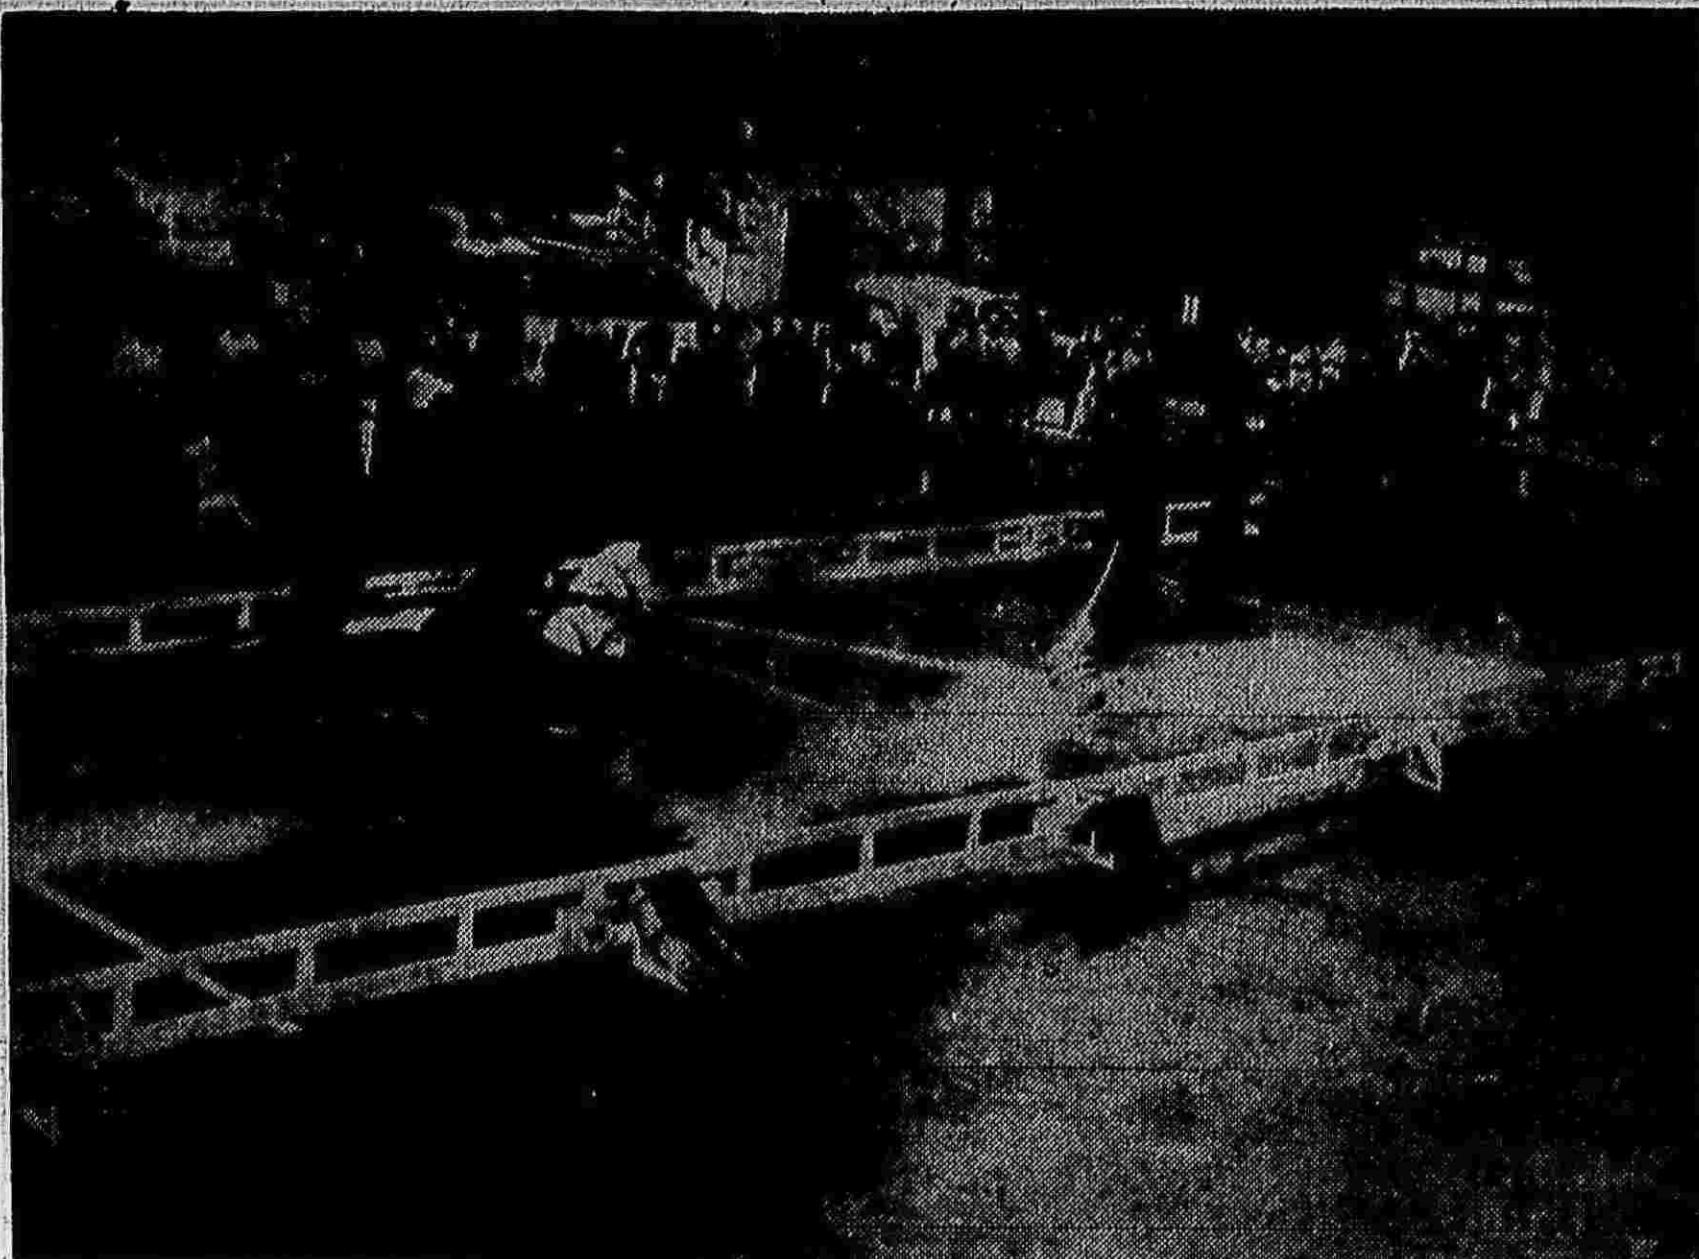

All figures are based on good weather conditions prevailing for the three-day period.

TAX FACTS

When a city's police department goes to the dogs and the taxpayers applaud, that's news, the Taxpayers' Federation of Illinois said today. But that is what happened in Baltimore as a result of the organization of a police K-9 corps. This experiment, as reported in the New York State Taxpayer, has improved law-enforcement and at the same time reduced the number of patrolmen needed to maintain order in certain areas of the city.

The "gone to the dogs" idea began in December, 1956, when two German shepherd dogs were given

The Trick is to Push the Barrel Across the Other Team's Line

Two unidentified teams are shown in their water battle during the Lake County Firemen's convention in Antioch last Saturday. The three-man teams at a given signal turn on the water and with this pressure try to drive a barrel across the line of the opponent's goal. Two out of three goals wins. The winner, Wauconda, was successful in three battles.

(Courtesy Antioch Photo Service)

to the police department and were trained by a Marine W-9 corps veteran for police work. On a voluntary basis, policemen were selected to work with the dogs, and soon a program that has met with success was under way. At the end of six months the dogs were credited with reducing Baltimore's crime rate by 21 per cent.

An official Police Dog Bureau was established by the City's Board of Estimates last April and man-dog teams were assigned to areas which needed close policing.

Results have been rewarding. From December, 1956 to October, 1957, the dogs participated in 175 arrests and made numerous police

assists. Police officers report that fugitives give up the idea of taking to foot at the sight of a police dog. Police Commissioner James Hepbron reports that two police officers with dogs now can keep order where 8 or 10 previously were assigned.

Many of the patrolmen in the dog division never owned dogs before, but they value "man's best friend." In fact one officer reported: "I wouldn't be without my partner for anything. I go places I'd never go before."

The dogs are not trained to kill or injure. Their job is to corner the suspect and hold him until an officer arrives to take charge. However, if one of the dogs is attacked, he'll fight back. These dogs use another instinct common to their breed, their keen noses, to track down suspects.

Across the ocean, police dogs became an integral part of the London, England police department after World War II, and today this city is using about 250 Alsatians and Labradors. They have practically eliminated purse snatching and have cut down on the number of officers needed to patrol warehouses and docks.

Again the dog and his master work together to the joyous acclaim of the taxpayer.

HOT BREAKFAST TIP

When you and your family are on a motoring trip, the smart, healthy way to start the day is with a good, nourishing breakfast. This meal is the most important of the day, according to nutrition experts.

"Yet, you should avoid heavy foods at the start of a long drive," advises Carol Lane, Women's Travel Director, Shell Oil Company.

What to do?

Try soup for breakfast.

Here's a nourishing breakfast that's not heavy, yet has real staying power. And it's good, too. It stimulates the hardest-to-coax morning appetite. It's also practical—especially if you stay at motels or tourist homes where breakfast isn't served, or if you like to make an early start in the cool of the morning, before the restaurants open.

Canned soup is easy to prepare on a portable hot plate or pocket-size stove.

If this is too much trouble, fill the thermos with hot soup the night

before.

Try a "stirrup cup" of soup when you first wake up and then a regular breakfast an hour or so later to break the driving routine.

"Sounds strange? It might, if you're in a breakfast rut. But it's good. Try it," says Miss Lane.

Wear Beards to Note Anniversary Celebration

Antioch residents who are hiding behind beards may be employees of Johns-Manville Co. at Waukegan who are adopting the new adornment as a means of celebrating their company's 100th anniversary.

At Fox Lake a few are wearing the beards because of the fiftieth anniversary of the fire department while at Round Lake the village is celebrating its fiftieth anniversary and many are wearing beards there.

While a hundred years ago the beard was common, 50 years ago it was already becoming rare.

Drag Racing at Union Grove

The Midwest Championship Drag Event will be held at the Great Lakes Dragway in Union Grove, Wis., Memorial Day week-end, May 30, 31 and June 1. Competition hours will be from 9 a. m. to 6 p. m. Any person, male or female, may participate in competition provided their vehicle can pass inspection. The drag strip is 12 miles north of the Wisconsin-Illinois state line on Rte. 41 or 45 to the Racine-Kenosha County line road.

When grating carrots, leave part of the top on and the carrot can be grated without danger of injuring your fingers.

Hickory CornersMrs. Wm. Thompson, Correspondent
Tel. Antioch 563-W-2

The Hickory children, their teacher, Mrs. Wagner, and several of the mothers went to Brookfield Zoo on Thursday in a chartered bus. Eddie Van Patten entered Victory Memorial Hospital, Waukegan, on Monday afternoon, May 19, as a medical patient. He has to remain in bed for some time.

Mrs. Curtis Wells entered St. Therese hospital, Waukegan on last Thursday for observation and tests. Mrs. Gordon Wells entertained the Millburn Church Bible Study group at her home this (Thursday) morning.

Mr. and Mrs. Rod Ames flew to Champaign, Ill., on Monday afternoon, May 26. Their nephew, Billy Ames, a freshman at the college, returned home with them so he could attend the 8th grade graduation exercises held at Newport Community School that evening and see his sister, Barbara, graduate. Billy surprised his folks, the Alfred Ames, when he walked in his home at supper time.

Mr. and Mrs. Fred Leable spent Sunday with their daughter, Mrs. Blanche Alverson in Kenosha.

Sunday afternoon callers at the Will Welch home were Mr. and Mrs. John Richter, Mrs. Alice Popp and Miss Inez Siver of Waukegan, the Warren Welch family from North Chicago and Mr. and Mrs. Gardner Faulkner of rural Kenosha.

Mrs. Harold Edwards and children came back to the Bert Edwards home on Tuesday evening after a visit with the Ray Carney family in Kenosha. Harold Edwards arrived at the Bert Edwards home Thursday night. The Harold Edwards family left for their home at Washington, D. C., Friday morning.

Mr. and Mrs. Albert Panzer of Libertyville were Sunday afternoon callers at the Gordon Wells home.

Mr. and Mrs. Howard Wells and children from Hammond, Ind., visited the Curtis and Richard Wells

homes on Sunday. The adults called on Mrs. Curtis Wells in St. Therese hospital in the afternoon. Supper guests at the Richard Wells home were Mr. and Mrs. Tony Maiorino of Milwaukee and the Hazel Butler family of Waukegan.

Dan Williams, librarian at the Des Moines, Iowa, public library, called on his mother, Mrs. Frances Williams and his sister, Betty Lu, Sunday. Dan, on a recruiting trip for staff help for the library, stopped at the University of Indiana, the University of Illinois, and the University of Chicago.

Mr. and Mrs. George Good were guests at a buffet dinner and meeting of Soo Line officials and station employees, at Waukesha, Sunday.

Petite & Grass Lk. News

Mrs. Earl Beese—Antioch 532-W-1
Mrs. Walter Johnson—Antioch 405-M-1
Correspondents

Last week-end was a busy one for lots of Grass Lake area people. On Saturday afternoon the whole neighborhood around Resthaven, Petite Lake was out to watch the fire in the swamp area behind Cypress Resort. It took the Antioch Fire department away from their Lake County convention which was unfortunate. An interesting little episode occurred when Jim Blech of Summerside Drive, rescued a fisherman who stayed too long on the bank of the channel and got surrounded by the fire. If Jim hadn't been available with his motor boat, he would have had to swim for it. Maybe he was planning a fish fry!

Mr. and Mrs. Ray Trayes had a housewarming at their home on Richmond Ave., Petite Lake, on Sunday. About thirty guests attended between the hours of 5 p.m. and 12:30. Some friends from the Antioch area who came were: the Jerry Rockwells, the Dale Rockwells, the Frank Kennedys, the George Geunthers, of Wilmot, Wis., the Row Ozmuns, Mr. Fred Dittmer,

the Wilbert Schaefers and Mrs. Kay Schaefer of Schaefer's Resort, Mr. Roy Rowling of Loon Lake, and Erma Panter of Kenosha, Wis. Mrs. Trayes received many lovely gifts.

Grass Lake Scout Troop 80 and Explorer Post participated in the Scout Jamboree at the Lake County Fair Grounds last week-end. This week-end campout was attended by 2300 scouts and leaders from the North Shore Area Council. Leaders who took charge of the Grass Lake boys were Lester Hribar, Robert Hart, Fred Brown, and Herb Meyer. The four explorers who attended were: George and Robert Enzinger, Lester Hribar, Jr., and Laddie Shunnesson. There were 14 boy scouts from Troop 80 attending. The whole week-end was a big success and perhaps the only mishap was that one of the leaders fell out of bed. He'll never live that down. On Saturday night for the campfire and Order of the Arrow ceremonies the cub scouts were invited. Cubmaster Earl Beese, past Cubmaster Mike Wojnowski and Gordon Pierce took some of the Cubs from Pack 80. These boys were impressed by what they have to look forward to when they become scouts. Pack 80 also had a Circus Day picnic for their pack meeting on Sunday, which was attended by about 75 persons. Fun

was had by all the children attending who had a chance to go through the spook house, see a peep show, knock down milk bottles and see other side show booths set up by the various dens. A relay turtle race in which Den 1 was victorious was a highlight of the afternoon. Joanne Paddock of Bluff Lake Road is proud of the fact that her registered Arabian filly, Invarak placed fourth out of a group of 16 to 20 horses in the Oak Crest Farm Show at Wadsworth, Ill., last Sun-

day. Joanne will show her equine beauty again this week-end at the Luck!

★ Jim Conway, WBBM TV's Star of "In Town Tonight," meets Mrs. Hugh C. Michels, Jr., of Wilmette, Illinois

"Last summer I swore I'd give up baking . . .but with my new electric range, my kitchen never heats up . . . even when the oven's been on for hours!"

says Mrs. Michels

Modern electric cooking means a cooler kitchen . . . one that helps save Mrs. Michels' energy for outside activities. She is a member of the Junior Board of Passavant Hospital and other charitable groups.

JIM CONWAY: You know, electric cooking's the coolest kind there is. That's one of the main reasons it's becoming more popular every day with modern women like yourself!

MRS. MICHELS: Well, Jim, it's mighty nice to work in a cool kitchen! You see, Hugh and I do a lot of entertaining . . . and, of course, there're always cookies to bake for the girls . . . but with all the baking I do . . . company-size roasts, pies like this, everything, my kitchen still stays cool and comfortable.

JIM CONWAY: I'm sure it does, because actual baking tests prove that modern electric ovens keep kitchens an average of 10 degrees cooler than any other kind.

Every day, more modern women cook the modern electric way

MRS. MICHELS: I know that from experience, Jim . . . but why is it?

JIM CONWAY: Well, Mrs. Michels, it's because electric ovens are insulated on all 6 sides . . . not just five . . . so that the heat stays in the oven where it belongs. And, of course, that's one of the reasons electric cooking's so economical . . . actually costs only 7¢ a day for the average family.

MRS. MICHELS: Speaking of families, Jim . . . why not stay and have some of this apple pie with us?

JIM CONWAY: Mm-m-m-m! Electric cooking does have its advantages, doesn't it?
